

~~RESOLUTION~~ ORDINANCENO. 00465

AN ORDINANCE relating to procedures for the correction of clerical errors in the salary and wage classification of the 1970 King County Budget.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

Section 1. The County Council hereby authorizes the County Executive to make or cause to have made any adjustments necessary for the correction of clerical errors within the 1970 Budget for salaries and wages for any department, office, elected official, or other agency under the budgetary control of the County Council and County Executive.

Section 2. For the purpose of this Ordinance, the term "clerical error" shall be deemed to encompass miscalculations of percentage increases, entry of incorrect amounts into the computer-based budget preparation system, and errors brought about as a result of incorrect data from the 1969 Budget being used as a base for 1970 computations.

Section 3. Adjustments for the purpose specified in Section 1 herein may be accomplished by 1) transfers of unexpended appropriation balances within budgeted salaries and wages, provided that said transfers do not affect the monthly salary of the positions from which balances are being transferred, or by 2) making transfers between general classifications of expenditures. In no case shall the aforementioned adjustments result in an increase for the department, office, elected official, or other agency over the total budget specified at the date of said adjustments in Ordinance No. 239 as then amended. Transfers between and among departments, offices, elected officials, or other agencies and accounts shall not be made without prior authorization of the County Council pursuant to Section 475, Article 4 of the County Charter.

Section 4. Upon the accomplishment of adjustments pursuant to this Ordinance, the County Executive shall cause the necessary corrections to be made to Ordinances No. 238 and No. 239 and shall further notify the Chairman of the County Council, in writing, of the adjustments which have been accomplished, such notification to be made within ten (10) days from the date of said adjustments.
